

4.2 INPUT FORMATS

4.2.1 SOL* - GENERAL NAME LIST ENTRIES

```
SOL*func train#(/(date)({brd)(off)(-}))  
  
SOL* - Action code for Passenger Name Lists  
func - Special function requested  
      A - Advanced Payment List  
      N - Passenger Name List  
      U - Unticketed Passenger List  
      V - Vehicle Passenger List  
      X - Cancelled Passenger List  
train# - Required  
date - Optional - Defaults to train origin date or city-  
       train date if city is selected  
brd - Optional - Passengers boarding city code  
       ( NOT OPTIONAL FOR func I, O, G)  
off - Optional - Passengers deboarding city code  
- - - - - Optional - The dash (-) option is used to indicate  
       a limited name list. Entry of the city code is  
       required. The limited report shows all persons on  
       board the train when departing from requested  
       location.
```

4.2.2 SOL*B - BORDER CROSSING LIST

```
SOL* B tttt / (ddmmm) ccc {/SEND}
```

Where:

SOL*B	Action code for Border Crossing Manifest
tttt	Train number (1 - 4 numerics)
/	Delimiter
ddmmm	Optional date; default to "train origin date" or "city train date"
ccc	Display all passengers (including the crew) on- board at, or after this city
/SEND	Optional parameter to transmit Border Crossing Manifest to APIS CBP(Customs Border Protection)
/RDSP	Optional parameter to display Border Crossing Manifest (only available for users with the CS duty code)

4.3 INPUT EXAMPLES

4.3.1 SOL*A 100

Request a list in alphabetical order of all Advanced Payment Passengers who will travel on train 100 today.

4.3.2 SOL*N 100/24SEP BWI

Request a list in alphabetical order of passengers who will be boarding at BWI on Train 100 on 24th September.

4.3.3 SOL*N 100/BWI-

Request a list in alphabetical order of passengers who will be on board Train 100 when it leaves BWI.

4.3.4 SOL*U 56/25SEPBWIPHL

Request a list in alphabetical order of passengers who will be boarding at BWI and deboarding at Philadelphia on Train 56.
{e-TICKET will not be shown in this display}

4.3.5 SOL*U 100/25SEPBWIPHL-

Request a list in alphabetical order of Unticketed passengers who will be on board Train 56 on 25th September when it leaves BWI and arrives at Philadelphia.

Passengers whose reservations indicate prepaid (P), advance paid (A), or "firm" (F) or have no specific indication are included in this list; passengers whose reservations indicate ticketed (T) or etickets(E, C, L) are excluded from this list. The Unticketed passenger display is modeled after the SOL*N display, with one exception: for auto trains, only the reserved passengers are included in this list. All SOL*N display options are available to the SOL*U display.

4.3.6 SOL*V 52

Request a list in alphabetical order of all vehicles items on train 52 for today's date.

4.3.7 SOL*X 100

Request a list in alphabetical order of all cancelled passenger items on train 100 for today's date.

4.3.8 SOL*B 69 / 06OCT NYF

Request a list in alphabetical order of all border crossing passengers, who are supposed to be on board train 69 at or after the city NYF, with date of birth and country of

citizenship information. Crew members will be designated with 'C', infants with 'I', primary names (in the PNR) with 'P'. Names of people traveling in a group will be preceded by a hyphen and will appear in the order that they occur in the PNR (not alphabetically, usually) under the group name, which will be in the list in its proper place alphabetically.

4.3.9 SOL*B 69 / 06OCT NYP /SEND

Electronically transmit to CBP (Customs and Border Protection) in EDIFACT format, both a Crew List and a Passenger List of individuals booked on train 69 at or after NYP, with date of birth and country of citizenship information. Each list will be in alphabetical order (with the exception of group members).

4.3.10 SOL*B 69 / 06OCT NYP /SEND

Display to the screen the EDIFACT data, containing both the Crew List and Passenger list of individuals book on train 69 at or after NYP, with date of birth and country of citizenship information. Each list will be in alphabetical order (with the exception of group members).

4.3.11 SOLD3/CHI-M

Request a destination name list of all passengers traveling from Chicago on Train 3 on today's date

4.3.12 SOLD3/05OCT CHIABQ-M

Request a destination name list of all passengers traveling from Chicago to Albuquerque on train number 5 on 5th October.

4.3.13 SOLD3.0332EC.7/5OCTCHILMY-M

Request a destination name list of all passengers traveling from Chicago TO Lasve on car 332, with an "EC" accommodation type in room 7 on the 5th October.

4.3.14 SOLD3.0332EC.7/5OCTCHILAX-Q/WA7

Queue all PNR's to Q36 of Queue city WA7 for passengers traveling from Chicago to Los Angeles on car 332, with an "EC" accommodation type in room 7 on the 5th October.

4.3.15 SOL*E 100/WAS (Entry currently restricted)

Request a list in destination order of all persons on Train 100 when it departs Washington.

4.3.16 SOL+E69/NYP-MTR (Entry currently restricted)

Request a list in destination order of all persons on Train 69 when it departs New York. Also display, in boarding city order, all passengers waiting to board Train 69 thru and including Montreal.

EXPLANATION OF BORDER CROSSING LIST OUTPUT FORMAT
